A little bit about me

I'm a confident and friendly person with an impeccable work ethic, I flourish in team-oriented environments and am known to be the glue of my friend groups, I excel in bringing people together, I'm a very analytical and creative thinker, with a keen eye for detail and I'm committed to continuously improving myself. I love meeting and talking to new people and learning new things.

EXPERIENCE

Chalo Freshco — *Produce Stocker*

July 2022 - November 2022

Managed produce floor, refilling produce as needed, managed inventory ensuring adequate produce stock, experienced in customer relations, guiding and advising customers and providing them with a positive experience.
